To the kind attention of families with children attending the interested Municipal infant-toddler centers and preschools

Subject: Starting of the didactic activities in presence for children with special rights or for those who are following therapy paths.

It is herewith communicated that, in the event of new measures by the Government that would determine the passage of our Municipality into Red Zone, in order to keep an educational relationship that maintains the effective inclusion of children with special rights, the Istituzione guarantees for these children the didactic activities in presence, as stated by the art. 43 of DPCM dated 02.03.2021 and from the Regional Ordinance nr. 25 of 03.03.2021.

For this purpose and in order to allow the organisation of the didactic activities it is required to the parents/tutors of the children with certified disability according to Law 104/92 or for those who are following therapy paths to express their interest for the activities in presence.

In case our city will be considered Red Zone from Monday March 15 it is required to the interested parties to fill in the form enclosed to the present letter and to send it by email to istituzionescuolenidi@comune.re.it not later than 16 march 2021, in order to allow a fast organisation and activation of the project.

It is confirmed that the opening time will be from Monday to Friday from 8,00/9,00 until 13,00, lunch is included and is seen as a specific content for the morning activities.

Trusting in the usual effective collaboration, I send my warmest regards..

The Director
Nando Rinaldi
